

## Participant Handout

# Caution: Accelerated Curriculum Ahead!

### Sample Topics from Grade 7 and Grade 8

**Commented [HS1]:** Connie - I updated these to just plain gray shading. Also, the text below said black borders but the borders in the previous version were yellow ... I changed to black, is that ok?

**Commented [CL2R1]:** Sure

Black borders and gray shading indicate grade 7 topics.

Orange borders and unshaded indicate grade 8 topics.

**Topic Sort Activity**

Unit 1:	Unit 2:	Unit 3:
Unit 4:	Unit 5:	Unit 6:

**Commented [HS3]:** Connie – I added this table to sort the post-its based on what we talked about last week. What do you think?

**Commented [CL4R3]:** I like it.

**Commented [HS5]:** MEGAN: After these two pages, can you please insert the two pages of the PDF file EM2\_7-803SE\_You\_Choose\_Activity? They should be the last two pages of the Participant's Handout.
